v.)	TREATMENT AND TO
)	DISMISS COMPLAINT
Duke Energy Carolinas, LLC,)	
Defendant/Respondent.)	

This matter comes before the Public Service Commission of South Carolina (“Commission”) on the motions of Duke Energy for confidential treatment of the initial and supplemental exhibits to the testimony of Barbara Yarborough and for dismissal of the Complaint. With regard to the Motion for Confidential Treatment, we find that the exhibits for which Duke seeks protection contain information about the Complainant which is personal and confidential in nature. Furthermore, as Ms. Gilbert does not oppose the Motion for Confidential Treatment, we grant the requested relief.

With regard to the Motion to Dismiss, we are cognizant of Ms. Gilbert’s status as a non-attorney customer of the utility appearing *pro se*, and accordingly, we have reviewed the substance of her Complaint fully and considered every allegation in the light most favorable to her. However, our review leads us to conclude that the allegations, even if entirely true, do not constitute violations of any statutes or regulations. Accordingly, we dismiss the Complaint.

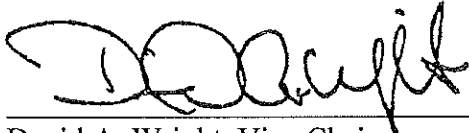

This Order shall remain in full force and effect until further order of the Commission.
